

## Kycon introduces High-Current Panel Mount DC Power Jack

Kycon introduced a High-Current Panel Mount DC Power Jack option to their current series of Power Jacks. The expansion of their Power Jack line allows for greater design flexibility, with reliability in high-current and repetitive applications such as laptop computers, portable modems and other portable devices. The new KLDPX-0302 series is

rated at 5A and is available with a 2.0mm & 2.5mm diameter pin.

### Key Specifications:

- 2.0mm & 2.5mm pin diameter
- Panel Mount
- Solder Eyelits
- Built-in DC On/Off Switch
- Current Rating up to 5A

### Part Numbers:

- KLDPX-0302-A                      2.0mm centre pin diameter
- KLDPX-0302-B                      2.5mm centre pin diameter
