

Kycon Adds High Current Mid-Mount DC Power Jack

Kycon now offers a High Current Mid-Mount DC Power Jack product to further expand design options. The mid-mount option adds more flexibility to board mount designs for applications like consumer electronics which require a smaller, lower profile and higher function DC Power Jack.

Key Specifications:

- 2.0mm & 2.5mm pin diameter
- Ideal for low profile applications
- Built-in DC On/Off Switch
- Current Rating up to 5A
- Shielded
- RoHS and REACH Compliant
