

Kycon Adds High Current Lower Profile Mid-Mount DC Power Jack

Kycon now offers a High Current Lower Profile Mid-Mount DC Power Jack product to further expand design options. The lower profile mid-mount option adds more flexibility to board mount designs for applications like consumer electronics which require a smaller, even lower profile and higher function DC Power Jack.

Key Specifications:

- 2.5mm pin diameter
- Ideal for lower profile applications
- Built-in DC On/Off Switch
- Current Rating up to 5A
- Shielded
- RoHS and REACH Compliant

Part Numbers:

- KLDHCX-MM1-0202-BTR 2.5mm centre pin diameter
